

Sak til årlig møte 07/03/23 i NIF-Bobcats

Nesodden 23/2-23

Sak 1 – Youth representation

---

*Proposal to årsligmøte 2022 NIF Bobcats*

---

The board of Nesodden IF Bobcats requests the members present at the årsligmøte 2022 to provide their support for adding 2 youth representants to the board during 2023.

Norges Basketball Forbund encourages clubs to give opportunities to young leaders, and the board of Nesodden IF Bobcats wishes to offer this opportunity.

The search by our valgkomite has not resulted in a result yet; henceforth the board requests the members present at the årsligmøte 2022 to provide their support to allow us to do this during the year 2023, instead of waiting to formalize this at next years årsligmøte.

We are particularly looking for youths to help us within ressurs gruppe PR & Communication, and also to contribute to “arrangementer”.

Adding youth representation is also a strategy to diversify the board of Nesodden IF Bobcats.
