

Nesodden 23/2-23

Sak 2 - Treningsavgift

Proposal to årsligmøte 2022 NIF Bobcats

The board of Nesodden IF Bobcats requests the members present at the årsligmøte 2022 to provide their support for changing the treningsavgift in Nesodden IF Bobcats as follows.

Category	From	To	Percentage
SFO	800 NOK	Unchanged	-
Up to U12	1300 NOK	1500 NOK	15,4 %
13 – U18	1700 NOK	1950 NOK	14,7 %
19+ (serie)	2500 NOK	2750 NOK	10 %
Trim	800 NOK	950 NOK	18,8 %

4 years has the treningsavgift remained unchanged following our philosophy to keep basketball at Nesodden affordable to all.

We wish to continue to follow this philosophy, however we are also caught by the reality of increasing costs to run our club.

With the step above we will still not manage to run a balanced budget during 2023, if we are to set out and do all the things we hope to do, but it is one of the elements needed to reduce our budgeted shortfall.

The club will endeavour to also find income from other sources, though which we hope to avoid further increases in the near future.
